No. 3513-C. & I.—The following amendments, which it is proposed to make in the rules made under section 9 of the Indian Petroleum Act, 1899, and issued in Punjab Government Notification No. 171 of the 27th June 1906, as applied to the Delhi Province, are published for criticism. The amendments will be taken into consideration on or after the 15th July 1920, together with any remarks or suggestions received on or before that date :—

Draft amendments in the rules to regulate the importation, possession, sale and transport of Carbide of Calcium.

1. In Part II of the said rules, after rule 7 the following rule shall be added, namely :—

“ 7A. If any Carbide of Calcium becomes wetted while being stored, it shall be destroyed by immersion in deep water under instructions from the licensing authority. If, however, deep water is not available, the wet Carbide of Calcium shall be spread out in the open in an isolated position, all precautions being taken to prevent lights being brought near until the material has given off all its gas.

NOTE.—The fact of Carbide of Calcium having become wet will be indicated by the outward appearance of the drum, and probably by a disagreeable odour, showing a leakage of gas.”

2. In Part III of the said rules, for rule 5 the following shall be substituted, namely :—

“ 5. If any Carbide of Calcium becomes wetted while in the possession of a Railway for transport it shall be disposed of as laid down in rule 7A of Part II of these rules.”

No. 3516-Home.—Under the provisions of section 12 of the Code of Criminal Procedure, 1898, S. Ahmad Hussain, Naib Tahsildar on special duty, Delhi, is appointed a Magistrate of the 3rd class within the limits of the Delhi District.

From 7th to 12th June 1920.

Class 1. No. 9474. Syed Itikhar Husain, of the Popular Metal Foundry, Rasalgarh, Aligarh. June 4, 1920.

NOTICES.

THE PATENT OFFICE, 1, COUNCIL HOUSE STREET, CALCUTTA.

Public room, open 11 a.m. to 4 p.m.; Saturdays, 11 a.m. to 1 p.m.

1. All communications relating to applications for patents and for registration of designs under the Indian Patents and Designs Act (II of 1911), or in continuation of applications under the Inventions and Designs Act (V of 1888) must be made in English and addressed to the Controller of Patents and Designs, 1, Council House Street, Calcutta. Documents sent by post should be carefully packed and a full address given in all communications.

2. Directions for the guidance of inventors and others are given in the Patent Office Handbook (price one rupee) which contains the Indian Patents and Designs Act, 1911, the Indian Patents and Designs Rules, 1912, the Indian Patents and Designs (Temporary Rules) Act, 1915, the Indian Patents and Designs (Temporary) Rules, 1915, together with current regulations and instructions. These should be consulted before an application is made to the Controller.

3. Advice. The Patent Office cannot undertake (1) to give opinions on the interpretation of Patent Law, or on the advisability of protecting inventions and designs or on their infringement; (2) to make searches in respect of information available in the public room; (3) to recommend any particular agent; or (4) to assist in the disposal of inventions. Models are not required unless specially asked for. Drawings must be on tracing cloth and the Rules and Instructions for the preparation of drawings as given in the Handbook should be strictly followed. A provisional patent cannot be secured under the Indian Patents and Designs Act, 1911.

4. Applicants are warned that the Indian Patents and Designs Act, 1911, is in force in British India only, and patents granted under it do not extend to the United Kingdom or any of the British possessions. The International Convention for the Protection of Industrial Property does not include India. For information regarding patents in countries other than India application should be made to the patent offices in the countries concerned.

5. Fees are payable in cash and must be received in the Patent Office within the time allowed by the Acts. When cheques are offered in payment of fees, it must be clearly understood that the office cannot hold itself responsible for any delay that may occur in the collection of cash on the cheques; any cheque not payable in Calcutta is subject to commission for which due allowance should be made. In cases where it is not possible to have the fees handed in at the Patent Office, it is preferable to send them by money-order or postal order payable at Calcutta to the Controller of Patents and Designs, and to advise him that they have been so sent. Stamps will not be received in payment of fees.

6. Trade and property marks and names are not registered and medicines are not patented under the Indian Patents and Designs Act. There is no provision of Law in British India for their registration. Neither does this Act deal with pictures, photographs, etc., for which copyright is obtainable under the Indian Copyright Act, 1914.

7. Printed Specifications of applications, which have been accepted, are published within about three weeks after acceptance has been notified in the Gazette of India. These specifications can be purchased at the Patent Office at a uniform price of 8 annas per copy; and may be seen free of charge, together with other publications of the Patent Office, at the following places:—

CHIEF COMMISSIONER, DELHI.**NOTIFICATIONS.**

Delhi, the 7th June 1920.

No. 3513-C. & I.—The following amendments, which it is proposed to make in the rules made under section 9 of the Indian Petroleum Act, 1899, and issued in Punjab Government Notification No. 171 of the 27th June 1906, as applied to the Delhi Province, are published for criticism. The amendments will be taken into consideration on or after the 15th July 1920, together with any remarks or suggestions received on or before that date:—

Draft amendments in the rules to regulate the importation, possession, sale and transport of Carbide of Calcium.

1. In Part II of the said rules, after rule 7 the following rule shall be added, namely:—

“7A. If any Carbide of Calcium becomes wetted while being stored, it shall be destroyed by immersion in deep water under instructions from the licensing authority. If, however, deep water is not available, the wet Carbide of Calcium shall be spread out in the open in an isolated position, all precautions being taken to prevent lights being brought near until the material has given off all its gas.

NOTE.—The fact of Carbide of Calcium having become wet will be indicated by the outward appearance of the drum, and probably by a disagreeable odour, showing a leakage of gas.”

2. In Part III of the said rules, for rule 5 the following shall be substituted, namely:—

“5. If any Carbide of Calcium becomes wetted while in the possession of a Railway for transport it shall be disposed of as laid down in rule 7A of Part II of these rules.”

The 10th June 1920.

No. 3601-Home.—With reference to the Resolution of Government of India in the Home Department, No. 7—582-594, dated the 28th August 1889, laying down a scale of remuneration for Superintendents of District Jails, the following classified List of District Jails in the Delhi Province for the year 1920-21, is published for general information:—

No. 967-1087.—The following draft of a notification which it is proposed to issue in exercise of the powers conferred by section 9 of the Indian Petroleum Act, 1899 (VIII of 1899), is published for the information of all persons likely to be affected thereby and notice is hereby given that the said draft will be taken into consideration by the Hon'ble the Chief Commissioner on or before the 1st August 1920.

2. Any objection or suggestion which may be received from any person, with respect to the draft before the date aforesaid will be considered by the Hon'ble the Chief Commissioner.

DRAFT NOTIFICATION.

In exercise of the powers conferred by section 9 of the Indian Petroleum Act, 1899 (VIII of 1899), and with the previous sanction of the Governor-General in Council, the Hon'ble the Chief Commissioner is pleased to make the following amendments in the Ajmer-Merwara Carbide of Calcium rules issued in Notification No. 1286-1087, dated the 29th October, 1906 as amended by Notification No. 66-1087, dated the 19th January 1907.

1. In Part II of the said rules after rule 7 the following rule shall be added, namely:—

"7A. If any Carbide of Calcium becomes wetted while being stored it shall be destroyed by immersion in deep water under instructions from the licensing authority. If, however, deep water is not available, the wet Carbide of Calcium shall be spread out in the open in an isolated position, all precautions being taken to prevent lights being brought near until the material has given off all its gas.

NOTE.—The fact of Carbide of Calcium having become wet will be indicated by the outward appearance of the drum, and probably by a disagreeable odour, showing a leakage of gas."

2. In Part III of the said rules, for rule 5 the following shall be substituted, namely:—

"5. If any Carbide of Calcium becomes wetted while in the possession of a railway for transport it shall be disposed of as laid down in rule 7-A. of Part II of these rules."

NOTICES.**THE PATENT OFFICE, 1, COUNCIL HOUSE STREET, CALCUTTA.**

Public room, open 11 a.m. to 4 p.m.; Saturdays, 11 a.m. to 1 p.m.

1. *All communications* relating to applications for patents and for registration of designs under the Indian Patents and Designs Act (II of 1911), or in continuation of applications under the Inventions and Designs Act (V of 1888) must be made in English and addressed to the Controller of Patents and Designs, 1, Council House Street, Calcutta. Documents sent by post should be carefully packed and a full address given in all communications.

2. *Directions* for the guidance of inventors and others are given in the Patent Office Handbook (price one rupee) which contains the Indian Patents and Designs Act, 1911, the Indian Patents and Designs Rules, 1912, the Indian Patents and Designs (Temporary Rules) Act, 1915, the Indian Patents and Designs (Temporary) Rules, 1915, together with current regulations and instructions. *These should be consulted before an application is made to the Controller.*

3. *Advice.* The Patent Office cannot undertake (1) to give opinions on the interpretation of Patent Law, or on the advisability of protecting inventions and designs or on their infringement; (2) to make searches in respect of information available in the public room; (3) to recommend any particular agent; or (4) to assist in the disposal of inventions. Models are not required unless specially asked for. Drawings must be on tracing cloth and the Rules and Instructions for the preparation of drawings as given in the Handbook should be strictly followed. A provisional patent cannot be secured under the Indian Patents and Designs Act, 1911.

4. Applicants are warned that the Indian Patents and Designs Act, 1911, is in force in British India only, and patents granted under it do not extend to the United Kingdom or any of the British possessions. The International Convention for the Protection of Industrial Property does not include India. For information regarding patents in countries other than India application should be made to the patent offices in the countries concerned.

5. *Fees* are payable in *cash* and must be received in the Patent Office within the time allowed by the Acts. When cheques are offered in payment of fees, it must be clearly understood that the office cannot hold itself responsible for any delay that may occur in the collection of cash on the cheques; any cheque not payable in Calcutta is subject to commission for which due allowance should be made. In cases where it is not possible to have the fees handed in at the Patent Office, it is preferable to send them

by money-order or postal order payable at Calcutta to the Controller of Patents and Designs, and to advise him that they have been so sent. Stamps will not be received in payment of fees.

6. *Trade and property marks and names* are not registered and *medicines* are not patented under the Indian Patents and Designs Act. There is no provision of Law in British India for their registration. Neither does this Act deal with *pictures, photographs, etc.*, for which copyright is obtainable under the Indian Copyright Act, 1914.

7. *Printed Specifications* of applications, which have been accepted, are published within about three weeks after acceptance has been notified in the *Gazette of India*. These specifications can be purchased at the Patent Office at a uniform price of 8 annas per copy; and may be seen free of charge, together with other publications of the Patent Office, at the following places:—

**ORDERS BY THE HON'BLE THE CHIEF COMMISSIONER,
AJMER-MERWARA.****NOTIFICATION.**

Abu, the 8th June 1920.

No. 967-1087.—The following draft of a notification which it is proposed to issue in exercise of the powers conferred by section 9 of the Indian Petroleum Act, 1899 (VIII of 1899), is published for the information of all persons likely to be affected thereby and notice is hereby given that the said draft will be taken into consideration by the Hon'ble the Chief Commissioner on or before the 1st August 1920.

2. Any objection or suggestion which may be received from any person with respect to the draft before the date aforesaid will be considered by the Hon'ble the Chief Commissioner.

DRAFT NOTIFICATION.

In exercise of the powers conferred by section 9 of the Indian Petroleum Act, 1899 (VIII of 1899), and with the previous sanction of the Governor-General in Council, the Hon'ble the Chief Commissioner is pleased to make the following amendments in the Ajmer-Merwara Carbide of Calcium rules issued in Notification No. 1286-1087, dated the 29th October 1906, as amended by Notification No. 66-1087, dated the 19th January 1907.

1. In Part II of the said rules after rule 7 the following rule shall be added, namely:—

"7A. If any Carbide of Calcium becomes wetted while being stored it shall be destroyed by immersion in deep water under instructions from the licensing authority. If, however, deep water is not available, the wet Carbide of Calcium shall be spread out in the open in an isolated position, all precautions being taken to prevent lights being brought near until the material has given off all its gas.

NOTE.—The fact of Carbide of Calcium having become wet will be indicated by the outward appearance of the drum, and probably by a disagreeable odour, showing a leakage of gas."

2. In Part III of the said rules, for rule 5 the following shall be substituted, namely:—

"5. If any Carbide of Calcium becomes wetted while in the possession of a railway for transport it shall be disposed of as laid down in rule 7A of Part II of these rules."

By order,

H. C. GREENFIELD,

for First Assistant to the Governor-General's Agent, Rajputana,
and Chief Commissioner, Ajmer-Merwara.

CHIEF COMMISSIONER, DELHI.**NOTIFICATIONS.**

Delhi, the 7th June 1920.

No. 3513-C & I.—The following amendments, which it is proposed to make in the rules made under section 9 of the Indian Petroleum Act, 1899, and issued in Punjab Government Notification No. 171 of the 27th June 1906, as applied to the Delhi Province, are published for criticism. The amendments will be taken into consideration on or after the 15th July 1920, together with any remarks or suggestions received on or before that date:—

Draft amendments in the rules to regulate the importation, possession, sale and transport of Carbide of Calcium.

1. In Part II of the said rules, after rule 7 the following rule shall be added, namely:—

"7A. If any Carbide of Calcium becomes wetted while being stored, it shall be destroyed by immersion in deep water under instructions from the licensing authority. If, however, deep water is not available, the wet Carbide of Calcium shall be spread out in the open in an isolated position, all precautions being taken to prevent lights being brought near until the material has given off all its gas.

NOTE.—The fact of Carbide of Calcium having become wet will be indicated by the outward appearance of the drum, and probably by a disagreeable odour, showing a leakage of gas."

2. In Part III of the said rules, for rule 5 the following shall be substituted, namely:—

"5. If any Carbide of Calcium becomes wetted while in the possession of a Railway for transport it shall be disposed of as laid down in rule 7A of Part II of these rules."

The 16th June 1920.

No. 3750-Education.—In exercise of the powers vested in the Local Government under section 240 (1) (a) of the Punjab Municipal Act, 1911, and section 55 (2) (c) of the Punjab District Boards Act, 1883, the Chief Commissioner is pleased to make the following rules for the management of fairs in the Delhi Province:—

RULES.

1. Every Municipal Committee, or District Board named in the seventh column of the schedule appended to these rules shall, subject to the general control of the Deputy Commissioner, be responsible for the management of the fairs shown against its name in the third column of such schedule.

2. Every such Committee or Board shall comply with all reasonable requirements made by the Deputy Commissioner, Medical Officer of Health of the local body concerned or in his absence the Civil Surgeon or the Superintendent of Police in accordance with the instructions contained in Punjab Government Consolidated Circular No. 41, provided that if compliance with any such requirement would entail expenditure in excess of the provision made by the committee or the board in its sanctioned budget, the committee or the board may appeal against such requirement to the Chief Commissioner if the requirement was made by the Deputy Commissioner or if the Deputy Commissioner is a member of such committee or board, or to the Deputy Commissioner if he is not a member of such committee or board, or if the requirement was made by the Medical Officer of Health referred to above or the Civil Surgeon or the Superintendent of Police.

3. Every such committee or board shall as far as possible arrange to have the site where the fair is held cultivated and that least one crop a year taken off it, in order that such site may remain in a wholesome condition. Unless the Medical Officer of Health of the local body concerned or in his absence the Civil Surgeon certifies that such cultivation is injurious to public health.

4. Sometimes before the fair is held, every such committee or board shall arrange to have the site of the fair levelled, holes filled up and, if necessary, cuts made to remove surface water.

5. Every such committee or board shall have broad lines of communication marked on the site in the manner most convenient for the purposes of the fair. Such roads should be as straight as possible and should intersect each other in such a manner as to divide the fair ground into square blocks. The main road should be not less than 60 feet wide and the cross roads not less than 45 feet wide.

6. Every such committee or board shall cause all jungle growth to be cleared from the fair ground. Large trees should be carefully preserved.

7. Every such committee or board shall provide sites on the fair ground for temporary shops for which rent may be charged. Such shops should be located on the sites of the main roads surrounding the squares.

8. Every such committee or board shall provide every well on the fair ground with a proper coping and masonry chabutra sloping outwards to prevent waste water from flowing back into the well, and shall provide suitable appliances for lifting the water and shall appoint persons who alone shall be authorised to draw water.

9. Every such committee or board shall make byelaws or regulations to regulate the conduct of the fair and of persons attending the fair.
